

Mrs. Cassie's packet 27-31 K-3

Hello my sweet kiddos!

For this week, I have sent you a much flatter version of me! Here is what you are going to do: You get to take the flat Ms. Cassie with you and show me around. You can take me outside, but please don't get me wet. Please use the paper I have given you to write a few things down that we did together. Be as creative as you can but please don't let your dog or cat eat me!

Parents, you may help your child with spelling, punctuation, etc., but please do not do this for them.
Thank you.

I miss you all so very much!!! Please give me a call or facetime me if you have any questions or just want to say hello!! You can reach me every day from 10-2 on my cellphone 304-940-1138.

Stay safe my lovies!!!
